Speechless (feat. Erika Sirola) [MOTi Remix]

Robin Schulz

I remember how it all started [?] till the summer was over And I didn't [?], it felt so big then We're only reaching stars And I am a big black star And you said to meIf you love me, then say you love me And you are mine Hey come on darling, stop the hiding Speak your mindWoah, I loved you But you left me speechless then Say if you love me, then say you love me And you are mine I remember how it all started [?] till the summer was over And I didn't [?], it felt so big then We're only reaching stars And I am a big black star And you said to meIf you love me, then say you love me And you are mine Hey come on darling, stop the hiding Speak your mindWoah, I loved you But you left me speechless then Say if you love me, then say you love me And you are mineYou left me speechless Speechless You left me speechless You left me speechless Speechless
