

SICK IN THE HEAD (feat. Travis Barker)

Lil Gnar

Trojan at the reigns
You can't put me in a cage, bitch
Playing with my family and I'll rip your fucking face off
Ride with a chop, doubled up like a double cup
Fuck you running for?
You ain't ever seen a choppa, duck
Bitch, I'm sick
Bitch, I'm sick
Bitch, I'm sick in the head
Got that bag by myself
When they left me out for dead
Bitch, I'm sick
Bitch, I'm sick
Bitch, I'm sick in the head
Got that bag by myself
When they left me out for dead (sick shit)
All of these niggas wish they ain't ditch me, uh
How I feel, honestly
Rollin' the gas of the cookie, I don't do sativa
I live a fraunter leaf, uh
How could you lie to me
Supposed to be down and just ride for me
Never gon' leave from my side at least
Never new bitches beside on me
[?] show eintestines, turn it to Lo-Mein
Kay lil' boy, I eat the beef, I blow you like a bank
[?] show eintestines, turn it to Lo-Mein
Kay lil' boy, I eat the beef, I blow you like a bank
Cos' I'm sick
Cos' I'm sick
Cos' I'm sick in the head
Cos' I'm sick
Cos' I'm sick
I feel like the walking dead
Trojan at the reigns
You can't put me in a cage, bitch
Playing with my family and I'll rip your fucking face off
Ride with a chop, doubled up like a double cup
Fuck you running for?
You ain't ever seen a choppa, duck
Bitch, I'm sick
Bitch, I'm sick

Bitch, I'm sick in the head
Got that bag by myself
When they left me out for dead
Bitch, I'm sick
Bitch, I'm sick
Bitch, I'm sick in the head
Got that bag by myself
When they left me out for dead (sick shit)
