

Gold

Chet Faker

You gotta know, I'm feeling love
Made of gold, I never loved a
Another one, another you
It's gotta be love I said it You gotta know, I'm feeling love
You gotta know, I'm feeling love You gotta know, I'm feeling love
Made of gold, I never loved a
Another one, another you
It's gotta be love I said it I might as well be in a garden
I said, ah
A smell in the air is a dripping rose (you could be the one for me)
Another soul to meet my void then
Of anything bare that's made of gold
A physical kiss is nothing without it
& you close your eyes to see what it's done
The body that lies is built up on looking
'Cause all that remains before it's begun You gotta know, I'm feeling love
Made of gold, I never loved a
Another one, another you
It's gotta be love, I said it You gotta know, I'm feeling love
Made of gold, I never loved a
Another one, another you
It's gotta be love, I said it A heart will swell before it's hardened
With the flick of the hair, it can make you old
Another hole to dig my soul in
I'll leave anything bare that keeps me soul
A physical kiss is nothing without it
& you close your eyes to see what it's done
The body that lies is built up on looking
'Cause all that remains before it's begun You gotta know, I'm feeling love
Made of gold, I never loved a
Another one, another you
It's gotta be love, I said it
You gotta know, I'm feeling love
Made of gold, I never loved a
Another one, another you
It's gotta be love, I said it
You gotta know, I'm feeling love
Made of gold, I never loved a
Another one, another you
It's gotta be love, I said it
