

# Hero

## Regina Spektor

He never, ever saw it  
Coming at all  
He never, ever saw it  
Coming at all  
He never, ever saw it  
Coming at all  
It's alright, it's alright,  
it's alright, it's alright,  
it's alright, it's alright,  
it's alright  
Hey, open wide, here comes  
Original sin  
Hey, open wide, here comes  
Original sin  
(Vrrr)  
Hey, open wide, here comes  
Original sin  
It's alright, it's alright,  
it's alright, it's alright,  
it's alright, it's alright,  
it's alright, it's alright,  
it's alright, it's alright  
No one's got it all  
No one's got it all  
No one's got it a-a-all  
Power to the people  
We don't want it  
We want pleasure  
And the TVs try to rape us  
And I guess that they're succeeding  
And we're going to these meetings  
But we're not doing any meeting  
And we're trying to be faithful, but we're Cheating, cheating, cheating  
Hey, open wide, here comes  
Original sin  
Hey, open wide, here comes  
Original sin  
(Vrrr)  
Hey, open wide, here comes  
Original sin  
It's alright, it's alright, it's alright, it's alright,  
it's alright, it's alright,

it's alright, it's alright,  
it's alright, it's alright  
No one's got it all  
No one's got it all  
No one's got it a-a-all  
Power to the people  
We don't want it  
We want pleasure  
And the TVs try to rape us  
And I guess that they're succeeding  
And we're going to these meetings  
But we're not doing any meeting  
And we're trying to be faithful, but we're  
Cheating, cheating, cheating  
I'm the hero of the story  
Don't need to be saved I'm the hero of the story  
Don't need to be saved  
I'm the hero of the story Don't need to be saved  
I'm the hero of the story  
Don't need to be saved  
It's alright, it's alright, it's alright,  
No one's got it all  
No one's got it all  
No one's got it a-a-all  
All  
All  
All  
All
