

# All for You

Janet Jackson

All my girls at the party, look at that body  
Shakin' that thing like you never did see  
Got a nice package alright  
Guess I'm gonna have to ride it tonight  
All my girls at the party, look at that body  
Shakin' that thing like you never did see  
Got a nice package alright  
Edit: 4, 3, 2, 1 It's all for you  
If you really want it  
It's all for you  
If you say you need it  
It's all for you  
If you gotta have it  
It's all for you if you make a move  
It's all for you  
I see you staring out the corner of my eye  
You seem uneasy, want to approach me, throw me a line  
But then something inside you grabs you says who am I  
I know exactly cuz it happens with all the guys So you so what you gonna do  
Come on and talk to me  
Promise you won't even have an attitude  
I'll let you sit right next to me  
Don't join the list with the other fools  
That ain't the way to be  
Yes, it's cool, yes, I'm in the mood  
Intimidations got that mind  
It's all for you  
If you really want it  
It's all for you  
If you say you need it  
It's all for you  
If you gotta have it  
It's all for you if you make a move  
It's all for you Can't be afraid or keep me waiting for too long  
Before you know it I'll be outta here, I'll be gone  
Don't try to be all clever, cute, or even sly  
Don't have to work that hard  
Just be yourself and let that be your guide So you so what you gonna do  
So come on talk to me boy  
Promise you won't even have an attitude  
I might just let you sit right next to me  
Don't join the list with the other fools

That ain't the way to be boy  
Yes, it's cool, yes, I'm in the mood  
Intimidation every time It's all for you  
If you really want it  
It's all for you  
If you say you need it  
It's all for you  
If you gotta have it  
It's all for you if you make a move  
It's all for you Tell me I'm the only one  
It's all for you  
Soon you'll be having fun  
It's all for you  
Come over here and get some  
It's all for you if you make a move  
It's all for you All my girls at the party, look at that body  
Shakin' that thing like you never did see  
Got a nice package alright  
Guess I'm gonna have to ride it tonight  
All my girls at the party look at that body  
Shakin' that thing, like you never did see  
Got a nice package alright  
Guess I'm gonna have to ride it tonight It's all for you  
If you really want it  
It's all for you  
If you say you need it  
It's all for you  
If you gotta have it  
It's all for you if you make a move  
It's all for you All my girls at the party, look at that body  
Shakin' that thing like you never did see  
Got a nice package alright  
Guess I'm gonna have to ride it tonight  
All my girls at the party, look at that body  
Shakin' that thing like you never did see  
Got a nice package all right  
Guess I'm gonna have to ride it tonight Tell me I'm the only one  
Soon we'll be having fun  
Come over here and get some  
Soon we'll be having fun (soon we'll be having fun)  
Soon we'll be having fun (soon we'll be having fun)  
Soon we'll be having fun (soon, having fun)  
Soon we'll be having fun (soon we'll be having fun)  
Soon you'll be having fun  
Guess I'm gonna have to ride it  
Guess I'm gonna have to ride it tonight  
Guess I'm gonna have to ride it  
Guess I'm gonna have to ride it tonight
