

# Have Some Fun (feat. CeeLo, Pitbull & Juicy J)

## DJ Felli Fel

I wanna have some fun  
And I know I'm not the only one  
I wanna party till the morning sun  
And I know I'm not the only one (DJ Felli Fel)  
You couldn't be more sexy  
Than you are already  
Oh, baby give me some  
If you wanna be forever young  
Let me know I'm not the only one (Go wild)  
Critics used to write that I wouldn't make it  
Now they write about what I make  
Actin' like the game I couldn't take it  
Now the whole world for the take  
Eyy, everyday is my Birthday  
Everyday I get cake  
Now mommy let me see you in your birthday suit  
Let's play  
This chico here he got it (Yea)  
This chico here he bout it (Yea)  
No question dog, don't doubt it  
Now, now get loose, get rowdy  
Fuck boys we don't see 'em  
Y'all players meet, I'mma GM  
While I'm taking over these companies  
Y'all still playin with per diems  
Y'all must of forgot  
Chico played on the block  
Chico played on the court  
Chico handled the rock  
Chico played with the pot  
Chico handled the rock  
Bag 'em up, then hand 'em out  
Off sore I'm drillin' it  
Over seas I'm killing it  
I just came to have some fun  
So Cee Lo keep singing it  
Dale  
I wanna have some fun  
And I know I'm not the only one  
I wanna party till the morning sun  
And I know I'm not the only one  
You couldn't be more sexy

Than you are already  
Oh, baby give me some  
If you wanna be forever young  
Let me know I'm not the only one  
Let's get trippy at my private party  
White girl twerk like Miley Cyrus  
Let's see how many model chicks  
Can fit inside of my Ferrari  
You a bad girl  
Show me how you naughty  
Your looks could kill don't hurt nobody  
I'm rollin' up that loud pack  
My blunt fatter than a hot tamale  
We sippin lean, poppin bottles  
I take more shots than the paparazzi  
These haters don't want no problems  
I got more goons than John Gotti  
Made nigga, paid nigga  
It's going down like a grave digga  
Take your girl to my hotel  
And beat it up like Mayweather  
In VIP a couple hundred deep  
That's Juicy J and his partners (Chilli)  
They might have to call the fire department  
We ordered all these sparklers  
Like a scarecrow I want more brain  
Get more neck than a gold chain  
These college girls got no shame  
We party hard Kurt Cobain  
I wanna have some fun  
And I know I'm not the only one  
I wanna party till the morning sun  
And I know I'm not the only one  
You couldn't be more sexy  
Than you are already  
Oh, baby give me some  
If you wanna be forever young  
Let me know I'm not the only one  
Eeeeeeeewhoo...  
Everybody clap your hands, hands hands  
Everybody clap your hands, hands hands  
(I just came to have some fun)  
Everybody clap your hands, hands hands  
(I just came to have some fun)  
(So Cee Lo keep singing it)  
(Dale)  
I wanna have some fun  
And I know I'm not the only one  
I wanna party till the morning sun

And I know I'm not the only one  
You couldn't be more sexy  
Than you are already  
Oh, baby give me some  
If you wanna be forever young  
Let me know I'm not the only one  
I WANNA HAVE Some fun
