

Wale

Yeah  
 So it's on me  
 So it's on me  
 So it's on me  
 I copped threes for the whole team  
 So it's on me  
 I copped threes for the whole team  
 Now we at the top  
 MJ, 88, and I ain't ever gonna stop  
 Carolina blue kicks  
 Hottest nigga on your block  
 I ain't J.R. Rider but them wolves coming for my spot  
 From the percentage of youngins winning without no college  
 I'm in my Laneys but nothing JV about this balling  
 I lost my deal, got with Will he seen a nigga genius  
 My rapping skills is on Chapel Hill but you ain't see it  
 Eyes low, pyro  
 Grape swisher, my 5's on  
 My opposition decline slow  
 My J's straight out of China like they be Cairo  
 Shout out to Tyga but my squad Balenciaga  
 One of the rarest in flyest niggas to rep the chocolate  
 It was all a dream, it was all a dream  
 Never Michael Jeffrey in 17s, I'm staying with my team  
 No bullshit loyalty rare  
 And don't worry 'bout it shawty we here  
 So it's on me!  
 I copped threes for the whole team  
 Now we at the top  
 MJ, '88, and I ain't ever coming down  
 Work  
 So it's on me  
 I copped threes for the whole team  
 Now we at the top  
 MJ, '88 and I ain't ever comin down  
 Work  
 And the people say  
 And the people say Groupies everywhere, I'm mentally prepared  
 I got a black and red joint, I bet they thinking bred  
 They tryna see me fail  
 Just know my thinking and my sneakers rare  
 Get that Chi-Town love, I'm in Leaders gear

Bet they got they pom-poms up  
Soon as I see O'Hare Seven  
I make a damn movie fooly  
I been the dookie  
These rappers is Sam Bowie to me  
I was a Bowie student  
It wasn't really nothing  
That's why I kicked it and blew grass like Boise punter  
This is no Space Jam  
I'm out the globe stunting  
I'm a one man band, I prolly Jordan I em  
And all my singles golden  
I will not forfeit, this my defining moment you know  
Seven Eleven, yea I got 'em open  
Eleven pair of 7s, they touching my rap touring  
It was all a dream, it was all a dream  
And when I'm 45, do it like I'm 23  
And premature, tell me I'm wrong if a nigga swing I feel it jack  
I was just waiting 'til the sixth ring So it's on me!  
I copped threes for the whole team  
Now we at the top  
MJ, '88, and I ain't ever coming down  
Work  
So it's on me  
I copped threes for the whole team  
Now we at the top  
MJ, '88 and I ain't ever comin down  
Work  
And the people say  
And the people say
