Fake

Alexander O'Neal

Your name was Patty but now it's KayGirl you seem to change it every day.

Your hair was long

but now it's shortYou say: I got it cut but I don't see no hair upon the floor.

Whenever I go out with you I find out something new. You're a fake

baby

you can't conceal itKnow how I know

'cause I can feel it.

You're a fake

baby

no rhyme or reason'Cause in your mind it's lyin' season. You had brown eyes but now they're blueThose false eyelashes that you're wearin'

too.

In bed this morning you called me CIydeAlex is the name that I go by!

If women could be counterfit then you'd be it. You're a fake

baby

you can't conceal it

. .

You're a fake

baby

I've blown your cover

the iig is up

'cause I discovered -

You're a fake

baby

no need to hide itCan't change my mind

'cause I've decided -

You're a fake

baby

and I'm disgustedThe game is through and

girl

you're busted

fake!Whenever I go out with you I find out something new.

You're a fake

you always have a good excuseBut

girl

that ain't no use.

You're a fake

baby

```
you can't conceal it
...
You're a fake
baby
no rhyme or reason
...
You're a fake
baby
Fake
fake!
```
