

Madeline and Nine

Mike Doughty

All my life I've been slow and senseless.
Not struck dumb
I'm just dumb, that's all.
But I can give you the constellations.
Lay down here and we'll count them all. Madeline. Madeline.
Madeline and nine and nine and nine and nine and nine and nine and nine. Call me back when
the war is over.
Call me back when your boyfriends gone.
I'm aware of your oscillations
Don't believe I'm the only one...
Slave to the inside light
my world is burning on, eternally
For the fire I lack, this flame is feeling fine
Madeline.
Madeline. Madeline and nine and nine and nine and nine and nine and nine and nine. Give my
eyes just for your intentions.
Risk my back to impress you now.
I'm so joyful that I have found you.
Alls I need is you to see me now.
Slain by the words I lack
my world is bursting sappy music and..
with a face so sad, I long to make you mine.
Slave to the inside light
my world is burning on, eternally.
For the fire I lack, this flame is feeling fine. Madeline.
