

# Angel Falls (feat. Sterling Fox)

Frank Walker

I don't know where I going  
But I know where I being  
Going to heaven a thousand times  
But they never let me in  
I saw streets of gold  
And now the restless soul pretend way  
No try so hard  
But my reckless heart  
??? strang  
And now the angel falls  
And now the angel falls in love  
And now the angel falls  
Now the angel falls in love  
I saw streets of gold  
And now the restless soul pretend way  
No try so hard  
But my reckless heart  
??? strang  
And now the angel falls  
And now the angel falls in love  
And now the angel falls  
Now the angel falls in love  
Falls in love  
And leave me up??? me down  
Forever so long for me, yeah  
Leave me up break me down  
Forever is you for me  
And now the angel falls  
And now the angel falls in love
