

# Magic Carpet Ride (Philip Steir Remix)

## Steppenwolf

I like to dream  
Yes yes right between the sound machine  
On a cloud a sound I drift into the night  
Any place it goes is right Goes far flies near to the stars away from here  
Well you don't know what uh we can find  
Why don't you come with me little girl?  
On a magic carpet ride  
You don't know what we can see  
Why don't you tell your dreams to me?  
Fantasy will set you free  
Close your eyes girl  
Look inside girl  
Let the sound take you away  
Last night I hold Aladdin's lamp and so I wished that I could stay  
Before the thing could answer me  
Well someone came and took the lamp away  
I looked around a lousy candle was all I found Well you don't know what uh we can find  
Why don't you come with me little girl  
On a magic carpet ride  
Well you don't know what we can see  
Why don't you tell your dreams to me?  
Fantasy will set you free  
Close your eyes girl  
Look inside girl  
Let the sound take you away  
You don't know what uh we can find  
Why don't you come with me little girl?  
On a magic carpet ride  
Well you don't know what uh we can see
