## **Stop the Violence**

## **Boogie Down Productions**

Worldwide BDP are the freshest! Worldwide! Worldwide! One two three, the crew is called BDP and if you want to go to the tip top stop the violence in hip-hop, Y-OTime and time again, as I pick up the pen as my thoughts emerge, these are those words I glance at the paper to know what's going on someone's doing wrong, the story goes on Mary Lue's had a baby someone else decapitated the drama of the world shouldn't keep us so frustrated I look, but it doesn't coincide with my books social studies when I speak upon political crooks It's just the presidents, and all the money they spent all the things they invent and how the house is so immaculate They paid missiles, my family's eating gristle then they get upset when the press blows the whistle Of course the main profiles are kept low you temper with some jobs, now the press is controlled Not only newspapers, but every single station you only get to hear the president is on vacation But ehrm, stay calm, there's no need for alarm You say "go back" to your mom, and you're off to Vietnam You shoot to kill, come back and you're a veteran but how many veterans are out there pedaling? There's no telling, 'cause they continue selling As quiet as it's kept, I won't go into depth You can talk about Nigeria, people used to laugh at ya. Now I take a look, I say "USA for Africa?!" Huh.

What's the solution, to stop all this confusion?

Rewrite the constitution, change the drug which you're using
Rewrite the constitution or the emancipation proclamation
we fight inflation, yet the president's still on vacationBDP posse!

I say: one two three, the crew is called BDP

And if you wanna go to the tip top
stop the violence in the hip-hop, Y-OThis might sound a little strange to you
well here's the reason I came to you
We gotta put our heads together, and stop the violence
Cause real bad boys move in silence
When you're in a club, you come to chill out
not watch someones blood just spill out
That's what these other people want to see
another race fight endlessly

You know we're being watched, you know we're being seen Some wish to destroy this scene called hip-hop

But I won't drop not I or Scott LaRock

Now here is the message that we bring today:

hip-hop will surely decay

if we as a people don't stand up and say:

"Stop the violence!"

I say: one two three, the crew is called BDP

And if you wanna go to the tip top
stop the violence in the hip-hop, Y-OBDP and me

we step into the party top celebrity

Say when we're coming to dance, we never have to pay a fee

Cause that's where we got R-E-S-P-E-C-T

I have this one wife, her name is Miss Melody
I know I'm from the Bronx, she from the Brooklyn posse
I tell ya look a little like this, then I tell you some that I
Sometimes I got my gear on, sometimes I wear a hat

Sometimes I'm in a Mercedes and sometimes I'm in a plain Sometimes I find myself upon the number two train

Some people look at me and see negativity

some people look at me and see positivity

But when I see myself I see creativity

So if I can create, well then I make some money Sha man, just put your hands up if you're out here gettin' paid

Sha man, just put your hands up if you're out here gettin' paid
One two three, the crew is called BDP
And if you wanna go to the tip top
stop the violence in the hip-hop, Y-O
