

Public Enemy No. 1

Megadeth

Public enemy number one
Jailbreak and a smoking gun
You won't believe the things I've done
And the killing was just for fun
Public enemy number one
A storm coming I'm on the run
Through the night to the rising sun
And the trouble has just begun
Roses on your grave
I'll be on my way
There's no time to stay
With the enemies I've made
I'm invincible
You might say despicable
Punishments reciprocal
Public enemy number one
I'm unbeatable
My mind's untreatable
Crimes unrepeatable
Public enemy number one
Public enemy number one
Watch the authorities come undone
With stand off that I've won
Flirting death is just for fun
Public enemy number one
Born fugitive father-son
Another heist of a bank is done
And the trouble has just begun
Roses on your grave
I'll be on my way
There's no time to stay
With the enemies I've made
I'm invincible
You might say despicable
Punishments reciprocal
Public enemy number one
I'm unbeatable
My mind's untreatable
Crimes unrepeatable
Public enemy number one
The posters say I'm wanted
Dead or dead
Anyone who's tried
Got a bullet to the head
I'm invincible
You might say despicable
Punishments reciprocal
Public enemy number one
I'm unbeatable
My mind's untreatable
Crimes unrepeatable
Public enemy number one
Public enemy!

Public enemy!
Public enemy!
Public enemy!
