

Radio Friendly Unit Shifter

Nirvana

- Hmmmmmm ... I just wanna know ... do you like me? -Use just once and destroy
Invasion of our piracy
Afterbirth of a nation
Starve without your skeleton key I love you for what I am not
I do not want what I have got
A blanket acne'ed with cigarette burns
Speak at once while taking turns What is wrong with me
What is wrong with me
What is what i need? I'm gonna do with what you think
If you ever think at all
Bi-polar opposites attract
All of a sudden my water broke
I love you for what I am not
I do not want what I have got
A blanket acne'ed with cigarette burns
Second-rate third degree burns What is wrong with me
What is wrong with me
What do I think I think? Hate your enemies
Save, save your friends
Find, find your place
Speak, speak the truth What is wrong with me
What is wrong with me
What is wrong with me
What do I think of me?
Use just once and destroy
Invasion of our piracy
Afterbirth of a nation
Starve without your skeleton key
What is wrong with me
What is wrong with me
What is wrong with me
What do I think of me?
What is wrong with me
What is wrong with me
What is wrong with me
What do I think of me?
