Angel

Simply Red

Gotta find me an angel To fly away with me Gotta find me an angel Who set me free My heart is without a home I don't want to be alone Gotta find me an angel In my lifeToo long have I loved So unattached within So much that I learn That I need somebody so Still I'll just go on Hoping that I'll find someone Gotta find me an angel in my life I know there must be someone, someone for me I've lived too long without the love of someone And there's no misery, like the misery I feel in meGotta find me an angel in my life She'll be there, now don't you worry Keep looking now just keep looking Song Discussions is protected by U.S. Patent 9401941.
