Mamma Mia

ABBA

I've been cheated by you since I don't know when
So I made up my mind, it must come to an endLook at me now, will I ever learn?
I don't know how but I suddenly lose control
There's a fire within my soulJust one look and I can hear a bell ring
One more look and I forget everything, whoaMamma mia, here I go again

My my, how can I resist you?

Mamma mia, does it show again?

My my, just how much I've missed youYes, I've been brokenhearted

Blue since the day we parted

Why, why did I ever let you go?

Mamma mia, now I really know

My my, I could never let you go

I've been angry and sad about things that you do

I can't count all the times that I've told you we're throughAnd when you go, when you slam the door

I think you know that you won't be away too long You know that I'm not that strongJust one look and I can hear a bell ring One more look and I forget everything, whoaMamma mia, here I go again

My my, how can I resist you?

Mamma mia, does it show again?

My my, just how much I've missed youYes, I've been brokenhearted

Blue since the day we parted

Why, why did I ever let you go?

Mamma mia, even if I say

Bye bye, leave me now or never

Mamma mia, it's a game we play

Bye bye doesn't mean forever

Mamma mia, here I go again

My my, how can I resist you?

Mamma mia, does it show again?

My my, just how much I've missed youYes, I've been brokenhearted

Blue since the day we parted

Why, why did I ever let you go?

Mamma mia, now I really know

My my, I could never let you go
