But she made me wanna cut off all my side friends (I love you, baby)  
A nigga be tryna chase her, take her  
Date rape her, stand out the daycare sit there and wait there  
Fuck, I can't even trust the neighbors, damn (what you lookin at?)

Man, that's my mama Quit messin with my mama  
Man, that's my mama Quit messin with my mama I got yo mama all in my line  
Bullets all in my 9  
Rollie tell the time  
She ain't yours, she ain't mine  
Throw a hundred every time  
I think my coupe just lost its mind  
Put yo mama on that trippy shit, sippin lean, snorting lines  
Oas like "bonjour"  
Last ten years I've been on tour  
And I still got that old money  
I touch more green than a lawnmower  
With a ratchet bitch, you laid up  
I'm on my tour bus fucking mamas getting paid up  
I take that bitch to my mansion  
And a nigga can't pay her to leave  
Yo mama a great head doctor, with no PhD  
My pockets stuffed with dough  
I made it all in the streets  
I might just go to the club, and throw it all on a freak  
Yo mama  
Ratchet ass bitch Baby, ooooooh. Can you feel what I feel, OH shit!  
I want a bunch of boots and shoes, cuz mothafucka, I'm gonna be here a while.
