

# Burn

Ellie Goulding

We, we don't have to worry about nothing  
'Cause we got the fire, and we're burning one hell of a something  
They, they gonna see us from outer space, outer space  
Light it up, like we're the stars of the human race, human race  
When the lights started out, they don't know what they heard  
Strike the match, play it loud, giving love to the world  
We'll be raising our hands, shining up to the sky  
'Cause we got the fire, fire, fire  
Yeah, we got the fire, fire, fire  
And we gonna let it burn, burn, burn, burn  
We gonna let it burn, burn, burn, burn  
Gonna let it burn, burn, burn, burn  
We gonna let it burn, burn, burn, burn  
We don't want to leave, no  
We just wanna be right now  
Right, ri-ri-right now  
And what we see is everybody's on the floor  
Acting crazy, getting loco till the lights out  
Music's on, I'm waking up  
We start the fire, then we burn it up  
And it's over now, we got the love  
There's no sleeping now, no sleeping now (sleeping now)  
When the lights started out, they don't know what they heard  
Strike the match, play it loud, giving love to the world  
We'll be raising our hands, shining up to the sky  
'Cause we got the fire, fire, fire  
Yeah, we got the fire, fire, fire  
And we gonna let it burn, burn, burn, burn  
We gonna let it burn, burn, burn, burn  
Gonna let it burn, burn, burn, burn  
We gonna let it burn, burn, burn, burn  
When the lights started out, they don't know what they heard  
Strike the match, play it loud, giving love to the world  
We gonna let it burn  
Burn, burn, burn, burn, burn  
Burn, burn, burn, burn, burn  
We can light it up, up, up  
So they can't put it out, out, out  
We can light it up, up, up  
So they can't put it out, out, out  
We can light it up, up, up  
So they can't put it out, out, out  
We can light it up, up, up  
So they can't put it out, out, out  
When the lights started out, they don't know what they heard  
Strike the match, play it loud, giving love to the world  
We'll be raising our hands, shining up to the sky  
'Cause we got the fire, fire, fire

Yeah, we got the fire, fire, fire And we gonna let it burn, burn, burn, burn  
We gonna let it burn, burn, burn, burn  
Gonna let it burn, burn, burn, burn  
We gonna let it burn, burn, burn, burn When the lights started out, they don't know what they  
heard  
Strike the match, play it loud, giving love to the world  
We'll be raising our hands, shining up to the sky  
'Cause we got the fire, fire, fire  
Yeah, we got the fire, fire, fire And we gonna let it burn
