

Landslide

Antony

I took my love, I took it down
I climbed a mountain and I turned around
And I saw my reflection in the snow covered hills 'Til the landslide brought me down
Ooh, mirror in the sky, what is love?
Can the child within my heart rise above?
Can I sail through the changing ocean tides?
Can I handle the seasons of my life?
Mmm, mmm
Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older and I'm getting older too
Well, I've been afraid of changing
'Cause I've built my life around you
But the time makes you bolder
Even children get older and I'm getting older too
Oh and I'm getting older too
Oh, take my love, take it down
Oh, I climbed a mountain and I turned around
And if you see my reflection in the snow covered hills
Well, the landslide will bring you down
And if you see my reflection in the snow covered hills
Well, the landslide will bring you down
Ooh, ooh, the landslide will bring you down
