Wish I Knew You

The Revivalists

You shine like a star You know who you are You're everything beautiful

She's hot, hot like the sun

The loneliest one

Still everything beautiful

Well I'll be god damned

You're standing at my door

We stayed up in the city

Until the stars lost the war

So Friday night, holy ghost

Take me to your level

Show me the one I need the most

I need the mostI wish I knew you when I was young

We could've got so high

Now we're here it's been so long

Two strangers in the bright lights

Oh I hope you don't mind

We can share my mood

Two strangers in the bright lights

I wish I knew you

I wish I knew you

Oh I wish I knew you when I was young Truth, it's all that you need

You bury that seed

It's everything beautiful

That sound comes from the underground

It's all inside you now

It's everything beautiful

But what are you running from?

They got you on the run?

So Friday night, holy ghost

Take me to your level

Show me the one I need the most

I need the most

I wish I knew you when I was young

We could've got so high

Now we're here it's been so long

Two strangers in the bright lights

Oh and I hope you don't mind

We can share my mood, yeah

Two strangers in the bright lights

I wish I knew you

I wish I knew youOh I wish I knew you when I was youngMaybe we can share my mood

Whoa, whoa, whoa
Maybe we can share my mood
Whoa, whoa, whoaMaybe we can share my mood
Whoa, whoaI wish I knew you when I was young
We could've got so high
Now we're here it's been so long
Two strangers in the bright lights
Oh and I hope you don't mind
We can share my mood, yeah
Two strangers in the bright lights
I wish I knew you
I wish I knew you
Oh I wish I knew you when I was young
