

# That's All

## Genesis

Just as I thought it was going alright  
I find out I'm wrong, when I thought I was right  
It's always the same, it's just a shame, that's all  
I could say day, and you'd say night  
Tell me it's black, when I know that it's white  
Always the same, it's just a shame, that's all I could leave but I won't go  
Though my heart might tell me so  
I can't feel a thing from my head down to my toes  
But why does it always seem to be  
Me looking at you, you looking at me  
It's always the same, it's just a shame, that's all  
Turning me on, turning me off  
Making me feel like I want too much  
Living with you just putting me through it all of the time  
Running around, staying out all night  
Taking it all instead of taking one bite  
Living with you just putting me through it all of the time I could leave but I won't go  
But It'd be easier I know  
I can't feel a thing from my head down to my toes  
But why does it always seem to be  
Me looking at you, you looking at me  
It's always the same, it's just a shame, that's all Truth is I love you  
More than I wanted to  
There's no point in trying  
to pretend  
There's been no-one who  
Makes me feel like you do  
Say we'll be together till  
the end  
But I could leave but I  
won't go  
It'd be easier I know  
I can't feel a thing from my head down to my toes So why does it always seem to be  
Me looking at you, you looking at me  
It's always the same, it's just a shame, that's all  
But I love you  
More than I wanted to There's no point in trying  
to pretend There's been no-one who makes me feel like you do  
Say we'll be together to  
the end  
But just as I thought it was going alright  
I find out I'm wrong when I thought I was right

It's always the same, it's just a shame, that's all  
Well I could say day, you'd say night  
Tell me it's black when I know that it's white  
It's always the same, it's just a shame, that's all  
That's all
