

Blue Ribbon Bunny (feat. Clover)

The Cast of Sofia the First

Hit it, Whatnaught! You know Princess,
I'm no ordinary rabbit
No, no, no!
Yo! Heeere we go!
Ha, ha! Check it out! When I hop to the garden,
They stop and stare
Plain to see that I got that flair
A little somethin' called savoir faire
(He's no common hare) I dig up a tasty gourmet lunch
And I serve it on china
'Cause when we're talkin'
'Bout food my friend
There's nobody finer
Y'all give it up
'Cause I got the moves
And I got the hops
I'm telling you, "Look out below!"
'Cause I'm the tops I'm a blue ribbon bunny
And don't you know?
A blue ribbon bunny
I'm the best in show (He's a blue ribbon bunny)
And I'm all the rage
(A blue ribbon bunny)
When -- I -- take -- the -- stage Uh, break it down
Uh, Go Clover! (He's a Pro,
Look at him go,
Stealing the show)
What other rabbit
Can nap all day,
Then polish off a whole buffet,
Right from the salad and the pâté?
(To the last buffet) I'm king of the woods
Without a doubt,
There is no equal
You see me once and then you'll shout,
"Hey! I want a sequel!" Y'all give it up (Do)
'Cause I got the moves (Do do do)
And I got the hops (Do do do)
I'm telling you, "Look out below!"
(Cause he's the tops) I'm a blue ribbon bunny ((Blue, blue, blue))
(Yeah, and don't you know) ((Ribbon bunny))
I'm a blue ribbon bunny ((Blue, blue, blue))

(He's the best in show) ((Ribbon bunny))(He's a blue ribbon bunny) ((Blue, blue, blue))
At the pet contest ((Ribbon bunny))
(A blue ribbon bunny)
You're gonna see who's best...(Blue)...
(Blue)...
(Blue)...
Blue...
Ribbon...Blue ribbon bunny!
(Blue ribbon bunny) ((Blue, blue, blue))
(Don't you know) ((Ribbon bunny))
I'm your bunny
(Blue ribbon bunny) ((Blue, blue, blue))(He's the best in show) ((Ribbon bunny))
Blue ribbon bunny
(Blue ribbon bunny) ((Blue, blue, blue))
(At the pet contest) ((Ribbon bunny))
You know who's the best!Heh, heh! Me! Ha, ha!
