

Sorry so Sorry

Howie Day

Sorry So Sorry Spend your nights here
We'll always be up late
Keep each other on
Chemicals can make us stay
I meant you're outta line
With your friends and all your jokes
Moving out tonight
Making phones that hot to hold
And you really didn't know
And you really didn't know Spend your days here
And never give up now
You keep the children down
You're down for one more hour
Imagine I would feel
If your friends were all your dates
I'm moving out with her
Do you shake? you'll be ok
And if you really didn't know
I swear I really didn't know
So I'm sorry, so sorry I'm sorry, oh no
and I'm sorry, so sorry
I'm sorry
Spend your nights here
We'll always be up late
Keep each other up
Chemicals can make us stay
I meant you're outta line
With your friends and all your jokes
Moving out tonight
Making phones that hot to hold And if you really didn't know
I swear I really didn't know
So I'm sorry, so sorry I'm sorry, oh no
And I'm sorry, so sorry
I'm sorry
