

# Fragments of Time (feat. Todd Edwards)

## Daft Punk

Driving this road down to paradise,  
Letting the sunlight into my eyes  
Our only plan is to improvise  
And it's crystal clear that I don't ever want it to end  
If I had my way, I would never leave  
Keep building these random memories  
Turning our days into melodies  
But since I can't stay...I'll just keep playing back  
These fragments of time  
Everywhere I go, this moment'll shine  
I'll just keep playing back  
These fragments of time  
Everywhere I go, this moment'll shine  
Familiar faces I've never seen  
Living the gold and the silver dream  
Making me feel like I'm 17  
And it's crystal clear that I don't ever want it to end  
If I had my way, I would never leave  
Keep building these random memories  
Turning our days into melodies  
But since I can't stay...I'll just keep playing back  
These fragments of time  
Everywhere I go, this moment'll shine  
I'll just keep playing back  
These fragments of time  
Everywhere I go, this moment'll shine  
I'll just keep playing back  
These fragments of time  
Everywhere I go, this moment will shine  
I'll just keep playing back  
These fragments of time  
This moment'll shine
