Travie McCoy

Let the kids sing  
Back in the days when I was young, I'm not a kid anymore  
But some days I still wish I was a kid again  
Back in the days when I was young, I'm not a kid anymore  
But some days I still wish I was a kid again Uh huh  
Thinking back when things were so easy  
Got me laughing out loud, for no reason  
I use to take them cans back and collect them nickels  
Trading Garbage Pail Kids cards for Sweet Pickles  
The whole block used to have G.I. Joe battles  
Yeah ya boy had the original Storm Shadow  
And as of lately things have been slow  
So I reminisce on when we use to break them windows  
Yeah, til I got snatched by the cops  
With a Wiffle Ball bat and a hand full of rocks (Wasn't me)  
Consider this song a throw back  
Cause all I wanna do is go back  
Ya'll sing it with me  
Back in the days when I was young, I'm not a kid anymore  
But some days I still wish I was a kid again  
Back in the days when I was young, I'm not a kid anymore  
But some days I still wish I was a kid again  
Back in the days when I was young, I'm not a kid anymore  
But some days I still wish I was a kid again  
Back in the days when I was young, I'm not a kid anymore  
But some days I still wish I was a kid again Tell em!  
And this was way before PlayStation  
Rushing home to watch Video Vibrations  
Man I tell you Sherry Carter coulda got the business  
And I can't forget Rachel from Caribbean Rhythms  
This was back when Rap City used to play the jams  
This is how I first heard about the Wu-Tang Clan  
Banged 36 Chambers all summer long  
And to this day Can It Be's my favorite summer song  
And I can drop names for days  
Of all my favorite artists who helped to pave the way  
But, we probably need a lot more then just four minutes  
So this is how I'm gonna end it  
Everybody sing  
Back in the days when I was young, I'm not a kid anymore  
But some days I still wish I was a kid again  
Back in the days when wish I was young, I'm not a kid anymore (C'mon)  
But some days I still wish I was a kid again (Everybody sing)

Back in the days when I was young, I'm not a kid anymore (Yeah)  
But some days I still wish I was a kid again (It's Travié)  
Back in the days when I was young, I'm not a kid anymore (Nappy Boy)  
But some days I still wish I was a kid again Yeah, I'm on the bus in the back lounge  
Sweaty, cold confused in another unfamiliar town  
Another sold out show  
Spilling my soul to a ton of people I don't know  
And I can feel my skin wearing thinner  
Fourth night no appetite for dinner  
Shit goddamn well ain't life grand  
Getting paid to stand on stage with yer heart in ya hand  
Sometimes I squeeze it til they get worried  
If this is Groundhog's Day I guess I'm Bill Murray  
And I swear I'm not complaining at all  
I love each and everyone of ya'll  
All I'm really sayin' is...Back in the days when I was young, I'm not a kid anymore (C'mon)  
But some days I sit and wish I was a kid again (Everybody sing)  
Back in the days when I was young, I'm not a kid anymore (C'mon)  
But some days I sit and wish I was a kid again (Everybody sing)  
Back in the days when I was young, I'm not a kid anymore (C'mon)  
But some days I sit and wish I was a kid again (Yeah)  
Back in the days when I was young, I'm not a kid anymore  
But some days I sit and wish I was a kid again (Everybody sing)  
Back in the days when I was young, I'm not a kid anymore (C'mon)  
But some days I sit and wish I was a kid again (Nappy Boy, it's Travié)
