

Help Myself

Knox Fortune

She brushed her teeth, I stayed in bed
She brushed her hair, I scratched my head
I bite my nails, she gets hers done
We're not the same, not hard to tell
We had grown up a couple years
Divided up over ideas
I saw her 'round once in a while
We're not the same, but I can't lie, no no I can't help from going back, no
I can't help from going back, no
I can't help from going back, no no
I can't help from going back, no
I can't help from going back, no
I can't help from going back, no no
She brushed her teeth, I stay in bed
Think of the past and what she said
I played the game, she dealt my hand
Ain't nothing changed, it's all the same
Oh, I think she wants it, but doesn't know how to say it
She squeeze my hand in the car when I slam on the breaks
I'm leaning forward, I'm a deer in the lights
I wanna tell ya, wanna tell ya
Wanna tell ya you're mine
Because, yeah, we been talking all night
We been talking, we been talking
We been talking all night, yeah
Yeah, we been talking all night
We been talking, we been talking
We been talking all night, yeah
I can't help from going back, no I can't help from going back, no I can't help from going back,
no no I can't help from going back, no I can't help from going back, no I can't help from going
back, no no
I know it's hard, but I have got let you know
Got to let you know before I lose all my control
Before I'm slandered, undemanded
And I've fallen to the floor
I let it go, I let it go, go, go, oh oh
I give it u-u-up, u-u-up, I give it u-u-up, u-u-up
I give it u-u-up, u-u-up
I give it all up for you, baby
I give it all up for you, darling
I let it go, I let it go, let it go, go, go
