

One In Ten (feat. UB40)

808 State

I am the one in ten-a number on a list
I am the one in ten-even though I don't exist
Nobody knows me but I'm always there
Statistical reminder of a world that doesn't care.I am the one in ten-a number on a list
I am the one in ten-even though I don't exist
Nobody knows me...
