

# Last Night On Earth

## Green Day

I text a postcard, sent to you, did it go through?  
Sending all my love to you  
You are the moonlight of my life every night  
Giving all my love to you My beating heart belongs to you  
I walked for miles 'til I found you  
I'm here to honor you  
If I lose everything in the fire  
I'm sending all my love to you  
With every breath that I am worth here on Earth  
I'm sending all my love to you  
So if you dare to second guess, you can rest  
Assured that all my love's for you My beating heart belongs to you  
I walked for miles 'til I found you  
I'm here to honor you  
If I lose everything in the fire  
I'm sending all my love to you  
My beating heart belongs to you  
I walked for miles 'til I found you  
I'm here to honor you  
If I lose everything in the fire  
Did I ever make it through?
