## **Teenagers**

## **My Chemical Romance**

They're gonna clean up your looks

With all the lies in the books

To make a citizen out of you

Because they sleep with a gun

And keep an eye on you, son

So they can watch all the things you doBecause the drugs never work

They're gonna give you a smirk

'Cause they got methods of keeping you clean

They're gonna rip up your heads

Your aspirations to shreds

Another cog in the murder machine They said: "All teenagers scare the living shit out of me

They could care less as long as someone'll bleed"

So darken your clothes, or strike a violent pose

Maybe they'll leave you alone, but not me

The boys and girls in the clique

The awful names that they stick

You're never gonna fit in much, kidBut if you're troubled and hurt

What you got under your shirt?

We'll make them pay for the things that they didThey said: "All teenagers scare the living shit out of me

They could care less as long as someone'll bleed"

So darken your clothes, or strike a violent pose

Maybe they'll leave you alone, but not meThey said: "All teenagers scare the living shit out of

me

They could care less as long as someone'll bleed"

So darken your clothes, or strike a violent pose

Maybe they'll leave you alone, but not meAll together now!

Teenagers scare the living shit out of me

They could care less as long as someone'll bleed

So darken your clothes, or strike a violent pose

Maybe they'll leave you alone, but not meTeenagers scare the living shit out of me

They could care less as long as someone'll bleed

So darken your clothes, or strike a violent pose

Maybe they'll leave you alone, but not me
