

# Looking Down the Cross

## Megadeth

Now before they take me and my blessed life  
Now you'll know why death was summoned here tonight  
I'll recall my perils, they'll kill me in pride  
No, I can't run away there's no place to hide  
Though too much to live for, I owe enough to die  
Ask not for salvation, my death shall mean their lives  
Hatred and guilt the altar they've built high priests of sin  
Destiny, fate the wicked ones gate beckoning you in.  
Beckoning you in  
Down the walkways, through the blood stained town  
Looking down the cross, bleeding from the crown  
Led to stay to die besides the thieves  
Kill the king of the world to be  
And now to you, this will come  
A putrifying pestilence  
More noxious than the serpents breath  
Malevolently destined  
More corrupt than the malice of choronzon  
More disease than the wind  
Of the moonlight sun  
Putrefaction you have caused  
No need for confession  
Now you wish you had a God to stop your demolition  
Crushing the bones of the hundredfolds  
Swinging the judgement hammer  
Man, woman, child no-one is safe  
The heads of the dead are the banner  
And this was all you got  
So don these broken wings  
Sands of time run out  
Bells of Hades ring  
Is this a nightmare  
To unhallow thy name  
Smell of brimstone  
Dancing in the flames  
No help now as you fulfill his task  
Chief of evil has got you by the ass  
Set free to sit upon the throne  
Just a dream?  
Your weeping all alone!  
Looking down the cross  
(speak no evil)

I'm looking down the cross  
(speak no evil)  
Looking down the cross  
(speak no evil)  
I'm looking down the cross  
(speak no evil)
