

# Lighthouse

[Nicky Romero](#)

First light breaks in the morning sky  
Chasing the sunrise We drifted out to nowhere  
Set off with hopes and dreams  
And if you lost in darkness Keep breathing, I can be your lighthouse  
If you need it, I can be your lighthouse  
Keep breathing, I can be your lighthouse  
If you need it, I can be your lighthouse I can be your lighthouse  
I can be your lighthouse  
I can be your lighthouse  
I can be your lighthouse  
Let's cruise time to discover  
How to sway with the waves  
We found gone with the wind  
So far away When rocks are underneath us  
Washed up in stormy seas  
Dont let them bring you worry Keep breathing, I can be your lighthouse  
If you need it, I can be your lighthouse  
Keep breathing, I can be your lighthouse  
If you need it, I can be your lighthouse I can be your lighthouse  
I can be your lighthouse  
I can be your lighthouse  
I can be your lighthouse  
I can be your lighthouse  
I can be your lighthouse  
I can be your lighthouse  
I can be your lighthouse
