More Than This

One Direction

I'm broken, do you hear me? I'm blinded

'Cause you are everything I seeI'm dancing, alone

I'm praying

That your heart will just turn aroundAnd as I walk up to your door

My head turns to face the floor

'Cause I can't look you in the eyes and sayWhen he opens his arms and holds you close tonight

It just won't feel right

'Cause I can love you more than this, yeahWhen he lays you down, I might just die inside

It just don't feel right

'Cause I can love you more than this

Can love you more than this

If I'm louder, would you see me?

Would you lay down

In my arms and rescue me?'Cause we are the same

You saved me

But when you leave it's gone againAnd then I see you on the street

In his arms, I get weak

My body feels I'm on my knees, prayingWhen he opens his arms and holds you close tonight

It just won't feel right

'Cause I can love you more than this, yeahWhen he lays you down, I might just die inside It just don't feel right

'Cause I can love you more than this, yeahI've never had the words to say

But now I'm asking you to stay

For a little while inside my arms

And as you close your eyes tonight

I pray that you will see the light

That's shining from the stars aboveAnd I sayWhen he opens his arms and holds you close tonight

It just won't feel right

'Cause I can love you more than this

'Cause I can love you more than this When he lays you down, I might just die inside

It just don't feel right

'Cause I can love you more than this, yeahWhen he opens his arms and holds you close tonight

It just won't feel right

'Cause I can love you more than this, yeahWhen he lays you down, I might just die inside It just don't feel right

'Cause I can love you more than this

Can love you more than this
