Around the World / Harder Better Faster Stronger

Daft Punk

Around the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the world around the world, around the world...
