

3005

Childish Gambino

No matter what you say or what you do
When I'm alone, I'd rather be with you
Fuck these other niggas, I'll be right by your side
Till 3005, hold up(okay)
Hold up, wait a minute, all good just a week ago
Crew at my house and we party every weekend so
On the radio, that's my favorite song
Made me bounce around, like I don't know, like I won't be here long
Now the thrill is gone
Got no patience, cause I'm not a doctor
Girl why is you lying, girl why you Mufasa
Yeah, mi casa su casa, got a stripper like Gaza
Got so high off volcanoes, now the flow is so lava
Yeah, we spit that saliva, iPhone got message from Viber
Either the head is so hydra, or we let bygones be bygones
"My God, you pay for your friends?" I'll take that as a compliment
Got a house full of homies, why I feel so the opposite?
Incompetent ain't the half of it
Saturdays we Young Lavish-ing
Saddest shit, is I'm bad as it
These they took from the cabinet (woah)
Sorry, I'm just scared of the future
Till 3005, I got your back, we can do this, hold up
No matter what you say or what you do
When I'm alone, I'd rather be with you
Fuck these other niggas, I'll be right by your side
Till 3005 Hold up (hold up)
Hold up (hold up)
Hold up (hold up)
Hold up (hold up)
Hold up (hold up)
Hold up (hold up)
Hold up (hold up)
Hold up (hold up)
Hold up (hold up) No matter what you say or what you do
When I'm alone, I'd rather be with you
Fuck these other niggas, I'll be right by your side
Till 3005
Hold up (hold up)
Hold up (hold up)
Hold up (hold up)
Hold up (hold up)
Hold up (hold up)

Nigga you so thirsty
