

Cold Turkey

Lenny Kravitz

Temperature's rising
Fever is high
Can't see no future
Can't see no skyMy feet are so heavy
So is my head
I wish I was a baby
I wish I was deadCold turkey
Has got me on the runMy body is aching
Goose-pimple bone
Can't see nobody
Leave me alone
My eyes are wide open
Can't get to sleep
One thing I'm sure of
I'm in at the deep freezeCold turkey
Has got me on the runCold turkey
Has got me on the runThirty-six hours
Rolling in pain
Praying to someone
Free me againOh, I'll be a good boy
Please make me well
I promise you anything
Get me out of this hell
Cold turkey
Has got me on the runCold
Cold turkey
Cold turkey
Cold turkey
