

# Nasty (feat. Jeremih & Spice)

## Kid Ink

Diamond Cartier, got a plane on my fist  
Lighter in my hand, colored strain in my swisher  
Niggas be like "damn, boy you get it and you flex"  
I just be like "nah, I just get it how I live" (oh yeah, yeah)  
Pull up real fast, on my curve  
0 to 100 when I swing and I swerve  
See them niggas hate  
But they never say a word  
If I play her to the left  
Bet I make her wanna flirt (oh yeah, yeah)  
You know just how to move that little thing, yes  
Slim thick, go on throw it to me like a Hail Mary  
Hell yeah, I love it when you nasty  
I'm staring at that ass whenever you pass me

Oh, oh, oh

I like you when you nasty

I like you when you nasty

I like you when you nasty

Oh, oh, oh

I like you when you nasty

I like you when you nasty

I like you when you nasty I like you when you nasty

That's when all my girls get on a classy

Hit you from the back in back of the backseat

Hydraulics how we tippin' and waggin'

I'm wit a freak in the sheets

Big booty tip drill like the gem of the week

She always wanna ride til she fallin' asleep

808 pound in her like I'm makin' a beat

So I swear I can't control when I hit it

Whippin' cake, put her in the bowl how I lick it

Like cheerleader on the pole when she spin it

If she throw that ass I'ma throw that ass some digits

Oh, oh, oh

I like you when you nasty

I like you when you nasty

I like you when you nasty

Oh, oh, oh

I like you when you nasty

I like you when you nasty

I like you when you nasty I see you on the sideline, workin' on your game

I could put you in the zone, I could help you make a play

It's something 'bout that champagne get you in a state  
LA attitude and Atlanta in the waist, (oh no no)  
Don't waste nothin' in your cup  
Class just started and we movin' to the sub  
It's a movie, check IMDb for the cast  
I talk with my money and you talkin' out your ass  
Blah, blah, blah  
Said you could tell them other bitches bye-bye  
Lemme get you city high, brown eyes, 5'5"  
5'7" in them heels, go on get them thangs on  
Freak of the week, we all singing the same song Oh, oh, oh  
I like you when you nasty  
I like you when you nasty  
I like you when you nasty  
Oh, oh, oh  
I like you when you nasty  
I like you when you nasty  
I like you when you nasty  
I saw you like it, when we go and bang down, get nasty  
Ass I shake, oh I saw you like when I twerk  
Do you like it, when we go and bang down, get nasty  
Ass I shake, oh I saw you like when I twerk  
I saw you like it, when we go and bang down, get nasty  
Ass I shake, I saw you like when I twerk, when we go and bang down, get nasty  
Ass I shake... Oh, oh, oh  
I like you when you nasty  
I like you when you nasty  
I like you when you nasty  
Oh, oh, oh  
I like you when you nasty  
I like you when you nasty  
I like you when you nasty  
Oh, oh, oh  
I like you when you nasty
