Hey, Hey I pull up in the tints all black  
Black shades black this black that  
Call it the gash mobile  
BMW Black man wheels  
Kingston ma' nigger when the world don't got a clue'  
Roll in the club with a fresh hot stunner ooh  
I got the cheddar with the bread and the butter too  
Got ma glass shades on like Spike Lee  
Chinese ladies I'm your lychee  
I'm so cool like mind freeze  
In my whitees fresh pair of Nikees  
In an hour my flight leaves  
Ah, don't blame it on the Chrys  
Blame it on the new shit  
Blame it on the wrist  
'Cos I got a ro-ro-ro-ro-ro-rolly on  
You got a ph-ph-ph-ph-ph-phony on  
No I ting go my Peroni on  
Chicks in the club

Whipe on me  
They big I'm holding on  
Ah, all of the dem get down whine, (Tick Tock, Tick Tock)  
Shape up your waist and go and whine  
The way your body feel when you put it on mine  
Shake up your buddum buddum gal whine  
Shake up your buddum buddum gal whine  
Ladies in the club whine, (Oh Oh Oh)  
Tick tocking with the gal dem calling me later  
Just fly out the bar just pull out a paper  
Late night flight London - Jamacia  
We gotta' reach Keke calling later  
Tell them get ur triple A passes up  
I'll take three gal on a night flight  
Don't joke 'cos u know your wife might  
My flow sicker than back road

Chat cash money like them man are Weezy  
So on top when them man'll see me  
Shot them a box like them man are Ri-Ri  
They can't come around 'ere  
When I di-di-di-di-di-di-done ya'  
Spain Europe Berlin from England to France and the German Berlin they turning for me like a  
whirl wind  
Emancipate and keep it burning  
Come in the place with the nine in my waist  
Tequila me feel for a line me ah taste  
Black like a diamond line ina face  
All the gal dem wine up dem waist  
I don't say hi  
Say bye to haters  
If raps your field then mines an acre  
I'm Kobe like I'm a Laker  
Owe me like I'm I favor  
Girls naughty with me just by nature  
Black, white, latin, asian  
Me and Wiley make bread, bakers  
Whole family east end, Slaters  
West Geoffrey suit tapered

Gone alligator, later
