## Will Stratton

Why don't you tell me what's wrong, baby?  
I'll do all I can.  
And if it's about where we're heading,  
maybe, you have the wrong man.  
Cause' I can see for miles  
when the sun is up,  
but it's midnight and I can't see at all.  
It's so hard and I can't think at all.  
It's so hard and I don't think we're working out.  
If you ever got the time, darling.  
Why don't you give me a call.  
I just want to say I'm so sorry.  
I never knew it all.  
It's alright.  
We're so stupid and we're young.  
Love is blind,  
it was words that really stung.
