

Astral Weeks

Van Morrison

If I ventured in the slipstream
Between the viaducts of your dream
Where immobile steel rims crack
And the ditch in the back roads stop
Could you find me?
Would you kiss-a my eyes?
To lay me down
In silence easy
To be born again
To be born again From the far side of the ocean
If I put the wheels in motion
And I stand with my arms behind me
And I'm pushin' on the door
Could you find me?
Would you kiss-a my eyes?
To lay me down
In silence easy
To be born again
To be born again
There you go
Standin' with the look of avarice
Talkin' to Huddie Ledbetter
Showin' pictures on the wall
Whisperin' in the hall
And pointin' a finger at me
There you go, there you go
Standin' in the sun darlin'
With your arms behind you
And your eyes before There you go
Takin' good care of your boy
Seein' that he's got clean clothes
Puttin' on his little red shoes
I see you know he's got clean clothes
A-puttin' on his little red shoes
A-pointin' a finger at me
And here I am
Standing in your sad arrest
Trying to do my very best
Lookin' straight at you
Comin' through, darlin'
Yeah, yeah, yeah If I ventured in the slipstream
Between the viaducts of your dreams

Where immobile steel rims crack
And the ditch in the back roads stop
Could you find me
Would you kiss-a my eyes
Lay me down
In silence easy
To be born again
To be born again
To be born again
To be born againIn another world, darlin'
In another world
In another time
Got a home on highAin't nothing but a stranger in this world
I'm nothing but a stranger in this world
I got a home on high
In another land
So far away
So far awayWay up in the heaven
Way up in the heaven
Way up in the heaven
Way up in the heavenIn another time
In another place
In another time
In another placeWay up in the heaven
Way up in the heaven
We are goin' up to heaven
We are goin' to heavenIn another time
In another place
In another time
In another place
In another face
