

# Campus

## Vampire Weekend

I wake up, my shoulder's cold  
I've got to leave here, before I go  
I pull my shirt on, walk out the door  
Drag my feet along the floor  
I pull my shirt on, walk out the door  
Drag my feet along the floor Then I see you, you're walking 'cross the campus  
Cruel professor, studying romances How am I supposed to pretend  
I never want to see you again?  
How am I supposed to pretend  
I never want to see you again?  
Walked to class in front of ya  
Spilled kefir on your keffiyah  
You look inside and turn to the door  
Drag your feet along the floor Then I see you, you're walking 'cross the campus  
Cruel professor, studying romances How am I supposed to pretend  
I never want to see you again?  
How am I supposed to pretend  
I never want to see you again? In the afternoon, you're out on the stone and grass  
And I'm sleeping on the balcony after class  
In the afternoon, you're out on the stone and grass  
And I'm sleeping on the balcony after class  
In the afternoon, you're out on the stone and grass  
And I'm sleeping on the balcony after class  
In the afternoon, you're out on the stone and grass  
And I'm sleeping on the balcony after class
