Starshine  
Oh, you used to be silver  
Loveline, love affair  
Well, you used to make me shiver  
He said, "Whoa, this is the price we've finally paid"  
I said, "I don't believe you  
I need you... I need you to stay"  
She said, "Baby, we've been together for such a long time"  
And I said, ooh I said,  
"Playing with fire was wrong!"  
She used to be silver  
Loveline, love affair  
You used to make me shiver  
Whoa, this is the price that I've finally paid  
I said, "Well, I don't believe you  
well, I need you... I need you to stay"  
She said, "But we've been together for."  
And I said, "Playing with fire was.  
Playing with fire was.  
This is the price that we've finally"  
Starshine  
Well, you used to be silver  
Ooh, now you used to be silver  
Loveline, love affair  
Well, you used to make me shiver  
He said, "Maybe this is the price that we have finally paid"  
I said, "I don't believe you  
And I need you  
And I need you to  
stay"  
She said, "But we've been together for.  
For so long"  
Well, I said... I said, "Playing with fire was wrong"  
Used to be silver  
Long, long, run away.  
You used to make me shiver  
Run away,  
Run away,  
Won't you run away, baby  
Well, I told you what to do with your life,  
But you did not stay  
I told you what to do with your life,  
But you did not stay here
