

# I've Got You Under My Skin

Louis Prima & Keely Smith

I've got you under my skin  
I have got you deep in the heart of me  
So deep in my heart, you're really a part of me  
And I've got you under my skin I have tried so, not to give in  
I've said to myself this affair it never would go so well  
But why should I try to resist when I know so well  
That I've got you under my skin I would sacrifice anything come what might  
For the sake of having you near  
In spite of a warning voice  
That comes in the night and repeats in my ear Don't you know, you fool, you never can win  
Use your mentality, wake up to reality  
For each time I do  
Just the thought of you makes me stop before I begin  
Because I've got you under my skin
