

Why Do I Love You

Olly Murs

Your heart beat, so near me, but I can't break in
How easy you control me, look at the state I'm in
You've got me jumping like I'm up and down
I'm inside out again
You keep me running til the sun goes down
Til the sun goes round again Why do I love you? Why do I care?
I keep on chasing you, I'm going nowhere
Why can't I hate you? Why don't I dare?
Thought I saw an angel but there ain't nothing there
Why do I love you? Why do I care?
I keep on chasing you, I'm going nowhere
Why can't I hate you? Why don't I dare?
Thought I saw an angel but there ain't
There ain't nothing there
There ain't nothing there You're cold, your heart, I'm in too far
I love you and I can't pretend That your heart beat's so near me, but I can't break in
You've got me jumping like I'm up and down
I'm inside out again
You keep me running til the sun goes down
Til the sun goes round again Why do I love you? Why do I care?
I keep on chasing you, I'm going nowhere
Why can't I hate you? Why don't I dare?
Thought I saw an angel but there ain't nothing there
There ain't nothing there
Real hearts don't feel this pain, let it go, let it go
Real hearts don't feel this strain, let it go, let it go
Real hearts don't feel this way, let it go, let it go
This heart, won't ever change
Why do I love you? Why do I love you? Why do I care?
I keep on chasing you, I'm going nowhere
Why can't I hate you? Why don't I dare?
Thought I saw an angel but there ain't nothing there
Oh oh oh oh oh oh...
