

# Why Do I Love You

[Olly Murs](#)

Your heart beat, so near me, but I can't break in  
How easy you control me, look at the state I'm in  
You've got me jumping like I'm up and down  
I'm inside out again  
You keep me running til the sun goes down  
Til the sun goes round again Why do I love you? Why do I care?  
I keep on chasing you, I'm going nowhere  
Why can't I hate you? Why don't I dare?  
Thought I saw an angel but there ain't nothing there  
Why do I love you? Why do I care?  
I keep on chasing you, I'm going nowhere  
Why can't I hate you? Why don't I dare?  
Thought I saw an angel but there ain't  
There ain't nothing there  
There ain't nothing there You're cold, your heart, I'm in too far  
I love you and I can't pretend That your heart beat's so near me, but I can't break in  
You've got me jumping like I'm up and down  
I'm inside out again  
You keep me running til the sun goes down  
Til the sun goes round again Why do I love you? Why do I care?  
I keep on chasing you, I'm going nowhere  
Why can't I hate you? Why don't I dare?  
Thought I saw an angel but there ain't nothing there  
There ain't nothing there  
Real hearts don't feel this pain, let it go, let it go  
Real hearts don't feel this strain, let it go, let it go  
Real hearts don't feel this way, let it go, let it go  
This heart, won't ever change  
Why do I love you? Why do I love you? Why do I care?  
I keep on chasing you, I'm going nowhere  
Why can't I hate you? Why don't I dare?  
Thought I saw an angel but there ain't nothing there  
Oh oh oh oh oh oh...
