Why Do I Love You

Olly Murs

Your heart beat, so near me, but I can't break in How easy you control me, look at the state I'm in You've got me jumping like I'm up and down I'm inside out again

You keep me running til the sun goes down Til the sun goes round againWhy do I love you? Why do I care?

I keep on chasing you, I'm going nowhere

Why can't I hate you? Why don't I dare?

Thought I saw an angel but there ain't nothing there Why do I love you? Why do I care?

I keep on chasing you, I'm going nowhere

Why can't I hate you? Why don't I dare?

Thought I saw an angel but there ain't

There ain't nothing there

There ain't nothing thereYou're cold, your heart, I'm in too far I love you and I can't pretendThat your heart beat's so near me, but I can't break in You've got me jumping like I'm up and down

I'm inside out again

You keep me running til the sun goes down

Til the sun goes round againWhy do I love you? Why do I care?

I keep on chasing you, I'm going nowhere

Why can't I hate you? Why don't I dare?

Thought I saw an angel but there ain't nothing there

There ain't nothing there

Real hearts don't feel this pain, let it go, let it go

Real hearts don't feel this strain, let it go, let it go

Real hearts don't feel this way, let it go, let it go

This heart, won't ever change

Why do I love you? Why do I love you? Why do I care?

I keep on chasing you, I'm going nowhere

Why can't I hate you? Why don't I dare?

Thought I saw an angel but there ain't nothing there

Oh oh oh oh oh oh...
