

# Give You Up

Dido

I'm not sitting with my head in my hands right now  
I don't care where you've been  
No, I ain't watching the clock or getting my phone out  
I won't drink myself to sleep  
Oh, oh You don't, you don't get under my skin no more  
No, it's gone, it's gone  
I ain't thinking 'bout you no more I found a way to let you go  
So you don't have to stay now  
A broken mind  
I came close  
But you can't rip my heart out  
I'm giving up  
I'm giving up  
I'll give you up  
I found a way to let you go  
It's gonna rip your heart out  
Got your picture covering up the cracks on the wall  
But the lines won't fade  
Didn't think that I would be missing you at all  
Maybe that was my mistake  
Oh, oh You don't, you don't get under my skin no more  
No, it's gone, it's gone  
I ain't thinking 'bout you no more I found a way to let you go  
So you don't have to stay now  
A broken mind  
I came close  
But you can't rip my heart out  
I'm giving up  
I'm giving up  
I'll give you up  
I found a way to let you go  
It's gonna rip your heart out  
Nothing you say will change my mind  
You couldn't wait to leave me behind  
Nothing you say will change my mind  
You couldn't wait to leave me behind  
Nothing you say will change my mind  
You couldn't wait to leave me behind I found a way to let you go  
So you don't have to stay now  
A broken mind  
I came close  
But you can't rip my heart out

I'm giving up  
I'm giving up  
I'll give you up  
I found a way to let you go  
It's gonna rip your heart out
