

Graduation Day

Kanye West

What in the fuck was that Kanye? I told you to do some shit for the kids.
You give me your muthafuckin' graduation ticket right now.
You can give me this muthafuckin' robe
You will not walk across that stage, you won't slide across that stage
A muthafucker can't pull you across that muthafuckin' stage Kanye
Who told you see, I told you to do something up lifting
I'm tryin' to get you out here with these white people and this how you gone do me
You know what, you's a nigga
And I don't mean that in no nice way
Had little kids singin' about the shit, the jokes on you
You can throw your muthafuckin' hands in the air, and wave good-bye to every-fuckin'-body
Cause you getting the fuck out of this campus
Fucker what you gone do now
I'm no longer confused but don't tell anybody.
I'm about to break the rules but don't tell anybody.
I got something better than school but don't tell anybody.
My daddy would kill me so don't tell anybody.
He wants me to get a good ass job just like everybody.
He ain't walked in my shoes, I'm just not everybody.
