

I Want Her

Keith Sweat

Seen you last night
Saw you standin' there
And couldn't picture the color of your hair
And all I wanted to know, were you really there? I wanna know, was it my imagination
Ooh, you know it was a sweet sensation
Lookin' at you from a distance
Ooh, it seems so real You and I together
Dream that seemed for real
If it's a dream, please don't wake me up
It feels so real, all I know is
I want her
(I want that baby)
I want her
(Get it, get it, get it, get it)
I want her
(I wanna do it like this, do it like that)
I want her
(Once I get it ain't no turnin' back) You turn me on and on
This feelin' girl is so strong
My heart, girl, is on fire
Ooh, you're my desire I've got a thing for you
Dreams of you and me, baby
She's bad, she's bad, she's bad
All I know is
I want her
(I want, I want, I want, I want, I want her)
I want her
(Don't misunderstand me)
I want her
(I wish this dream was for real)
I want her
(You, you know the deal) I want her
(Yeah, yeah)
I want her
(I want that girl so bad)
I want her
(I had a dream of her last night)
I want her
(Yeah, yeah, yeah) And I, I
Give it to me, give it to me
Give it to me, ooh, baby
All night long, girl I want her

(Ooh, baby)
I want her
(I want that girl so bad)
I want her
(All night long)
I want her
(Let me, let me tell you somethin', I wanna do it like this, baby)I want her
(I wanna do it like that, sugar)
I want her
(You know what I need, girl, you know what I like, girl, like this, baby)
I want her
(I wanna do it like that, sugar)
I want her
(You turn me on and on and on and on)I want her
(I wanna do it like this, baby, I wanna do it like that, sugar)
I want her
(You know what I mean, girl, you know what I like, girl)
I want her
(I wanna do it like this, baby, I wanna do it like that, sugar)
I want her
(Oh, I want you so bad, girl)I want her
(I need you right now, baby)
I want her
(Give it to me, give it to me all night long, girl)
I want her
(I just want you so bad)
I want her
(I just need you so bad, come on, girl, come on, girl)I want her
(She's so bad)
I want her
(Hey, baby)
I want her
(Don't let this be a dream, girl)
Just think about tonight, baby
I want her
(I want you so bad, ooh, baby)I want her
(Give it to me tonight, girl, love me, love me)
I want her
(Love me, love me, love me, love me down, ooh, baby)
I want her
I want her
(Hey)I want her
(The feelin', girl, is so, so, so, so, so, so, so, so, so strong)
(I want you so bad, baby)
(Was it, was it a dream last night, girl?)
(Was it, was it a dream last night, baby?)
