spank (KMFDM Remix)

kidneythieves

thick drops of rain sound like the way you spanked me your pleasure thrills in every way you make me thick drops. . all by myself and you're not here to take me my red hot stain still makes you call me, baby tattooed your name, so you wouldn't forget to claimif i see you're like your daddy and i should be gone i would try to burn you but i won't if i think that loving you could be just like a drug i would try to burn you but i won't it's all your graces, your deadly sins love and hate you it's so intense if i could burn you walk away not see you anymore i would try to burn you but i won't thick drops of rain sound like the way you miss me your windowpane steams like the way you kiss me you're so profane, that's why i love the wayif i see you're like your daddy and i should be gone i would try to burn you but i won't if i think that loving you could be just like a drug i would try to burn you but i won't it's all your graces, your deadly sins love and hate you it's so intense if i could burn you walk away not see you anymore i would try to burn you but i won'tlike drops of rain your love has no pain if i see you're like your daddy and i should be gone i would try to burn you but i won't if i think that loving you could be just like a drug i would try to burn you but i won't if i see that you're the precious i was looking for, i would try to burn you but i won't if i could burn you walk away not see you anymore i would try to burn you but i won't Song Discussions is protected by U.S. Patent 9401941.
