

# You Will Never Run

## Rend Collective

You will never run away  
You're forever mine  
You will never run away  
You're by my side Love wide as galaxies  
Love deeper than the sea  
Countless as all infinity  
Love like a shooting star  
Tearing apart the dark  
Shining for all eternity  
Shining for all eternity  
You will never run away  
You're forever mine  
You will never run away  
You're by my side  
You will never run away  
You forever shine  
You will never run away  
You're by my side Love stronger than the grave  
Love rolled the stone away  
Rising with endless majesty  
Love takes us by the hand  
Love is the wildest dance  
You are the joy and fight in me  
You are the joy and fight in me  
You will never run away  
You're forever mine  
You will never run away  
You're by my side  
You will never run away  
You forever shine  
You will never run away  
You're by my side Hearts open wide  
Hands lifted high  
Over the clouds up into the blue sky Hearts open wide  
Hands lifted high  
Over the clouds up into the blue sky You will never run away  
You're forever mine  
You will never run away  
You're by my side  
You will never run away  
You forever shine  
You will never run away

You're by my side
